THE KNIGHTS TEMPLAR IN CLEVELAND.

8 THOUSAND SWORDS IN LINE.

250.000 Spectators, Etc., Etc.

Point.

CLEVELAND. O., Aug. 28.—The grand ferences with their employers. By not reparade of Knights Templar, moved sorting to any acts of violence they showed promptly at 9.30 o'clock this morning. very good sense, and thereby secured and Grover. The display was simply magnificent. There were thirteen divisions. The col-E. M. Sir Latayette Lyttle, grand captain informed that some of the very best, and general, and his aids, numbering about 50. | cool-headed mechanics are seriously dis-Grays, and Cleveland commandry, as a drum corps. Not less than eight thousand swords were in line. About one hundred and seventy-five commandries marched. Workingmen of Moline, while the anxious to include the had conferred with Mr. Dow relative to the exchange of the bell in the west ward house, and submitted a letter from the that the Arabians attained a height in the knowland seventy-five commandries marched. Some difficult and beautiful managers republican office-seekers are trying their were performed during the march, the level best to prevent the organization of most noticeable being the formation of edge of medicine which caused the whole world to vonder and admire. With them the science of themistry had its birth, and it is, therefore, not at most noticeable being the formation of the labor party in Moline, Both of these offered to furnish a bell-metal bell at 27 character, should, by actual and untiring experi-ment, discover remedies far surpassing in efficacy all others, for the cure of those diseases incident to them from their mode of life. The greater part of their time being spent in hazardous and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, paralys-is, neuralgic pains, and various inflammatory dis-eases, as also the most horid wounds, sprains brui-men tumors, aveilings, diseases of the loints, etc. being occupied, besides crowds on either a taste of the strike and are in earnest in year, side of the streets throughout the line of their demand for relief. For years they the procession.

ses, tumors, swellings, diseases of the joints, etc.
All these diseases they were so surprisingly efficient in curing, that the uninitiated looked with
wonder and attributed their skill to the powers of
magic. H G. FARRELL'S ARABIAN LINIMENT a composition of balsams and olfs, from rare ints peculiar to this country, and it was by the HAVE JUST RECEIVED A LARGE AND WELL use of the articles composing this great remedy that not only their physicians, but even the wild Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-recrossed at Turner.

Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-renowned for his beautiful symmetry of form, his unsurpassed speed and agility, and the incredible fatigue it is capable of enduring. Why is it? Because from the time of his birth his limbs are capefully watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, secratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Farrell's Genuine Arabian Liniment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your life. Magurelli Harvitovitea, commander inchief of the Servian army has arrived at Belgrade. Preparations indicate that the Servians will employ a smaller force than politics, and seek redress by governmental placed on file. last year, but the force possessing some organization of the regular army, estimated at about 12,000, and the best part of the at about 12,000, and the best part of the first-class militia, numbering altogether the workingmen, nor the wild and chimer laid on the table until the next regular about 40,000 men, seem to be all reckoned ical nature of some of the reforms which meeting. upon. This force will be concentrated at they demand. But their notions are not Soitschar and in Mornia Valley towards are described they demand. But their notions are not the committee on repairs of heating Soitschar and in Mornia Valley towards cruder than those of many prominent publications aparatus.

W. B. Farrell's Arabian Liniment, the most danger-ous of all the counterfeits, because his having the name of Fartell, many will buy it in good faith. without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil ef-The genuine article is manufactured only by H ounce for eagles.
